LiveVerify

LAUNCH PARTNER PROGRAMME

◆ FOR PLATFORMS, VENUES AND PAYMENT PROVIDERS

Add real age and identity checks to every customer you serve.

LiveVerify checks a person's ID, takes a quick selfie and confirms it's really them, in about a minute. It runs on a phone, a checkout page or a kiosk at the gate, under your brand. Launch partners build it straight into their own product, with us.

LIST PRICE

€0.20

per completed check

- ID + face match + liveness included
- Pay only for completed checks
- Volume pricing on request

WHAT LAUNCH PARTNERS GET

LAUNCH PARTNER

Build it into your product.

Shape the terms with us.

Use LiveVerify inside your own checkout, kiosk or sign-up flow. How you price it to your customers is up to you. Best for cashless & ticketing, e-commerce platforms and payment processors.

- **Founding price, locked**
  €0.20 per check for 12 months
- **Direct line to the founder**
  Hands-on support and a say in the roadmap
- **Commercial terms after the pilot**
  Resale, revenue share or embedding, agreed together

Know someone who needs this? Introduce us and we'll look after them.

LAUNCH PARTNERS Pilot offer	500 free checks	60 days	Your brand
	Enough for an event or a month of checkout traffic	To run it with real customers before you commit	Co-branded kiosk or checkout screens set up for you

HOW IT WORKS

1 **You start a check**
One API call, or drop our embed snippet into your checkout or sign-up page.

2 **Customer scans ID + selfie**
On their own phone via QR code, or on a kiosk. About a minute.

3 **A yes/no comes back**
The verdict and verified name go to your system by webhook. No ID images or selfies.

WHAT YOUR CUSTOMERS GET

- ID, face match & liveness
- EU-native, DPA ready
- Photos not kept after the check
- Hosted in the EU (Frankfurt, Ireland)
- Your branding, 17 languages
- Every check on record, no images
