LiveVerify

◆ VAPE & AGE-RESTRICTED E-COMMERCE

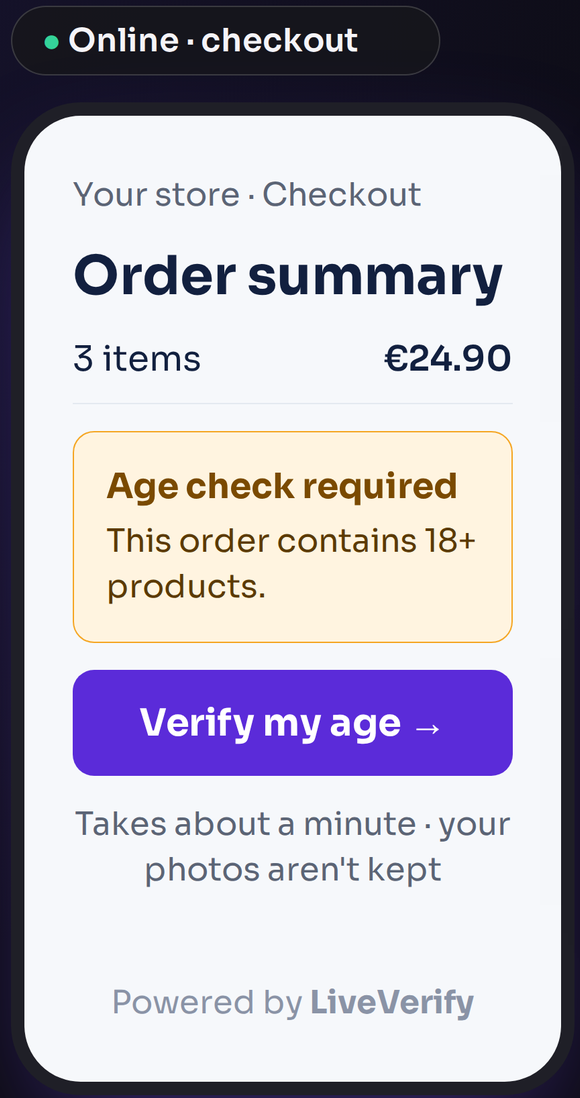

Swap the 18+ tick-box for a real age check at checkout.

Regulators are moving past self-declared age. Customers verify in about a minute, and the order only releases once they pass.

Plugs into checkout · About a minute · Photos not kept

BEFORE

⚠ Tick-box

"I confirm I am 18+". Anyone can click it.

AFTER

✓ 18+ verified

Order released to fulfilment

Identity verification built to survive an audit, not just a demo.

Screens are illustrative mock-ups
